A designated instrument room will be provided and all instruments will be kept here when not being played. We will guide and educate the students on instrument safety and protection. While every effort will be made by the Musica Fusion staff to safe guard the instruments, we will not accept responsibility for damage to instruments as a result of carelessness or of breaking our instrument safety rules. A list of these rules will be provided on receipt of enrolement form. Instruments must be brought to camp in a suitable, protective case or bag which must be clearly labelled. Please have a chat with your child about instrument safety.

From time to time we take pictures and short videos of the classes and concerts. We often put these up on facebook or our website. For the most part all the pictures are group pictures. If you give us permission to post these pictures, you are reserving the right to have ANY picture that you do not approve of removed instantly on notification to the school. The facebook page is a vibrant page and great source of information for the parents, who for the most part love to see the pictures of their child in action!
