From time to time we take pictures and short videos of the classes and concerts. We often put these up on facebook or our website. For the most part all the pictures are group pictures. If you give us permission to post these pictures, you are reserving the right to have ANY picture that you do not approve of removed instantly on notification to the school. The facebook page is a vibrant page and great source of information for the parents, who for the most part love to see the pictures of their child in action! However, we do not take it for granted that all parents would like this so we require your permission. I consent to pictures being posted on the facebook page/website
